The Final thought Although the final thought paragraph comes at the end of your essay it ought to not be seen as an afterthought. As the last paragraph is represents your last possibility to make your case as well as, therefore, should follow an incredibly rigid format. One means to think about the final thought is, paradoxically, as a 2nd introduction since it does in fact contain a number of the same features.

Efficient conclusions open with a concluding change ("to conclude," "in the long run," etc.) and an intimation to the "hook" used in the initial paragraph. After that you need to promptly provide a restatement of your thesis declaration. This must be the 4th or 5th time you have duplicated your thesis so while you ought to make use of a selection of word option in the body sections it is an acceptable concept to utilize some (but not all) of the initial language you used in the intro.

Essay 1: Combating the Cult of Thinness

Why would a frightening percentage of American women gladly trade five years off their lives for 10 pounds off their bodies, or prefer to be perceived as thin rather than as kind or intelligent? This obsession with thinness needs to be understood if we are to avoid the consequences, which are often tragic. Beyond this, there are further steps that ought to be taken so that women can have a healthier and more positive sense of themselves.

It is no wonder that American women are obsessed with thinness. From a very young age, it is emphasized to women how important it is to be pretty, and to be pretty by society's standards means being thin. This blatant message is seen everywhere. Not only do images in magazines, TV commercials and billboard posters put an exaggerated emphasis on women's bodies, they also hold up an ideal of thinness that is almost impossible to attain. Computer-enhanced photography employs techniques such as airbrushing blemishes and slenderizing the bodies of models. This adds to the creation of an ideal model that women strive to mimic.

American society's prescription of what it means to be feminine needs a rewrite. Current definitions of femininity are dictated by a social system that gains control over women by defining them primarily in terms of their bodies. In order to see change, women must challenge the industries that feed upon body insecurity. They need to change the messages that women absorb daily. One method would be to stop purchasing the very fashion magazines that have been allowed to define femininity. Large-scale boycotts of these fashion magazines can lead to major change of the feminine ideal.

Another method that can be used to alleviate the emphasis placed on the ideal figure is through education. Women need to realize that the images seen in advertisements and on television sitcoms are not the norm. The average American woman is 5'4", a size 12, and 155 pounds. Women
